Articles of Interest: Nursing
No. 201-202, July-August 2016

Agency for Healthcare Research & Quality (www.ahrq.gov)
This agency is part of the US Department of Health & Human Services, and its aim is to make healthcare safer, more equitable, accessible and affordable, and of a higher quality. The website has a wealth of information, including information for patients and health professionals, and evidence-based practice reports on many topics. The site is well laid out and easy to navigate, but can also be searched by keyword.

For those of you who enjoyed the Summer Olympics, here’s some more sport to keep you interested. The 2016 Rio Paralympics run from the 7th to the 18th of September. Find out who’s competing and when, which countries are represented, and the latest news.
