Merlot II  
https://www.merlot.org/merlot/index.htm

Merlot II is a free and open online collection of resources designed to allow the sharing of learning materials. Items listed include a date added, and if it’s been modified, that date is also mentioned. There are many resources of interest to nurses, including a 12 lead EKG tutorial, various quizzes, and videos.

Gardenvisit  
www.gardenvisit.com/gardens

If you’re a keen gardener, then Gardenvisit is worth a look. It’s a British website that includes information, photos, and reviews of over 2000 gardens from around the world, including some from New Zealand. Some of the gardens listed also include links to their own websites, which is handy if you’re planning a visit.

Excellent Training Opportunities at Canterbury Medical Library

Canterbury Medical Library is offering training in various resources during 2017. Come along to learn about the major nursing and allied health database, CINAHL, the library catalogue and ejournals, and the OVID databases like MEDLINE and EMBASE. You’ll find details about when and where the sessions are, along with brief information regarding session content and how to book, at: www.otago.ac.nz/christchurch/library/training/index.html
