Please do not send payment with this application: no payment is due until you have been notified of admission into the course for which you have applied. This application may be returned as an email attachment, by post, or by fax. It will be acknowledged via email upon receipt.

Early admission decisions will be begin on 1 October 2008, a month before the final closing date, and will continue through mid-November. All students will be notified of admission decisions before the end of November, via email. Upon admission, students will be requested to send a deposit of NZ\$250, refundable in full through 1 January 2009, and 50% refundable to 15 January 2009. The remainder of the full tuition will be due by 15 January 2009. Because no refunds can be granted after that date, students are advised to avail themselves of travel insurance to cover any cancellations due to health or family problems.

We regret that we cannot process payments by credit card. Methods of payment are detailed on the University of Otago website:  
<<http://www.otago.ac.nz/international/fees.html#fees2007admission>>

Because of the difficulties of obtaining payments in overseas currencies, international students may prefer to remit the full amount at once. In that case, the full amount would be refundable through 1 January 2009, and all but NZ\$100 would be refundable through 15 January 2009.
