Hi All,

For those of you who aren't aware TP Mine Geology has converted to 8/6 residential for all Mine Geologists. We are currently recruiting for 2 Geos which has been advertised both internally and externally on the Rio website. Also on Seek. Applications close on the 4th October. Please feel free to pass on this information to anyone who might be interested. Cheers.

Rosie Sullivan

Mine Geologist - Tom Price Technical Services, Iron Ore

Rio Tinto

Po Box 22, Tom Price, 6751, Western Australia
