## Other thesis sources

Institutional repositories and research services often contain a wide variety of research literature from conference papers to research reports to theses. Examples to explore:

**NZ Research** – a gateway to the open-access research documents produced at universities, polytechnics, and other research institutions throughout New Zealand

**OUR Archive** – Otago University Research repository, including e-theses

**ETHOS – Electronic Theses Online Service** - An open access repository for UK doctoral theses in electronic form

## Access a thesis

- Library Catalogue – check title/author availability and location. Usually must be read in the Library, or online
- Contact your department to browse their thesis collection
- Get It Interloan – free from NZ/Australian libraries, or from overseas for \$25 incl. GST
- Purchase recommendation – consult your supervisor to recommend a title
- Personal purchase – through a database, repository or other organisation
