

CAFÉ SCIENTIFIQUE

New Zealand's Energy Future:
How will we meet our future energy needs?

Explore current thinking and new developments in tackling the challenges of New Zealand's future energy needs with the National Energy Research Institute (NERI) in the relaxed atmosphere of the Museum Café.

Café Scientifique is an opportunity to explore, discuss and formulate your own view on this relevant topic in the wider context of sustainability.

Thursday 16 June

5.30pm – 7pm

Otago Museum Café

FREE!

Spaces are limited – please register your interest, contact the Information Desk
