

## MUSGRAVE SCHOLARSHIP IN PHILOSOPHY FUNDRAISING APPEAL

We welcome your contribution toward a scholarship in honour of Professor Alan Musgrave, acknowledging his continuing and outstanding contribution to Philosophy at Otago over four decades.

This prestigious scholarship will attract high calibre international students to the University of Otago who wish to undertake postgraduate study towards a Masters degree in the Department of Philosophy.

Since 1970 Professor Musgrave has held the Chair of Philosophy at the University of Otago, establishing himself as a leading international philosopher of science. He is well known as an inspirational teacher and leader. His impact on the intellectual formation of generations of students has left an indelible mark both in New Zealand and abroad.

Professor Musgrave continues to teach, research, and publish at Otago. He has announced his intention to retire from the Chair at the end of 2010. This important appeal is our way of recognising Alan and honouring his own longstanding commitment to teaching and research.

Please take this opportunity to give generously.
