

Get Vaccinated

www.otago.ac.nz/news/swineflu.html

Flu can be serious!

The 2010 seasonal flu vaccine includes protection against the H1N1 (swine flu) virus.

Where to get the vaccine?

- Free to all staff – clinic times and locations will be advertised on:
www.otago.ac.nz/news/swineflu.html
from mid March to the end of April
- Students – available at student health
www.otago.ac.nz/studenthealth
- See your GP or contact your local health centre
