

Clinical Insert - Terms of Reference

June 2009

In relation to Professional/Clinical Practice (as appropriate), to review and evaluate:

- Appropriate recognition of the contribution of professional staff/clinicians working in academic departments;
- Recognition of the importance of professional/clinical experience for staff in academic disciplines.

In relation to Joint Campus/DHBs:

- Appropriate responsibility for and oversight of facilities which are shared with other entities e.g. DHBs
- Staffing processes which ensure appropriate balances of academic and professional contributions to the health system where appropriate
- Appropriate processes for communication and liaison in relation to health system contributions
- Presence of good governance relationships with DHBs as they affect academic and clinical staff and service responsibilities

In relation to teaching and academic clinical activities:

- Availability of appropriate clinical teaching placements and learning experiences for students
- Processes for ensuring appropriate standards of professional and academic supervision, support and services, and professional registration and maintenance of competencies of staff.
