Quality Advancement Unit

Enabling excellence through...

Reviews

- **Strategic self-reflection** achieved and documented through development of the Self Review
- **Impartial peer review** providing expert advice and support from a panel of your choosing
- **Staff involvement** provides an opportunity for input into present and future directions of the Unit
- **Student and stakeholder participation** allows for confidential input and feedback
- **Improvement opportunities** identified, explored and supported by your Review Panel

IMPARTIAL CONFIDENTIAL
NON-COMPLIANCE IMPROVEMENT

Surveys

- **Student and Graduate Opinion Surveys** conducted annually by QAU since 1995 (we provide departments, programmes, divisions and administrative units with results relevant to their activities)
- **Ad hoc surveys** to support the continuous improvement of the University's core activities
- **Survey consultation service** to assist you with the design, implementation and analysis of your own surveys

INFORMATIVE REPORTS CONSTRUCTIVE RESULTS
DETAILED ANALYSES

Enhancement Facilitation

- **Providing resources** for making improvements to the University's core activities
- **Funds** to assist with the implementation of review recommendations, improvement projects and strategic initiatives
- **Sharing good practice** within the University
- **Facilitating improvements** through the identification of international good practice, external and internal applied research and meta-analysis of key issues across the University
