 Otago Uni Student Health

How did we do?

**WE WELCOME
YOUR FEEDBACK**

The staff at Student Health are committed to providing a high quality health service for all students at Otago University.

If you have any comments about aspects of your care, we are keen to know about them. Your feedback, good and bad is important to us

How to provide feedback.

- Talk to one of the reception staff, your Doctor, Nurse or Counsellor
- Use space provided overleaf to write to us detailing your feedback and leave at reception
- Ask to see the Practice manager, Operations Manager or the Clinical Director
- Email student-health@otago.ac.nz
- Email or write to the Director, Operations Manager or Practice Manager (email addresses available on our website)
- Submit feedback via our website www.otago.ac.nz/studenthealth/survey

All feedback is taken very seriously and used to improve our service.

A Health & Disability Advocate can be contacted by phoning 0800 112233

Please use the space provided below to write to us detailing your feedback and leave it with one of our reception staff

If you would like someone from Student Health to discuss further, please provide your name and contact details.
