No. 227-228, September-October 2018

Nurse.net

Ministry of Health

<https://www.health.govt.nz/our-work/nursing>

The nursing section on the Ministry of Health’s website contains all sorts of useful information, including sections on the role of nurses, nursing leadership, new nursing initiatives and new Ministry publications. There are also links to other nursing-related websites, for example the New Zealand Nurses Organisation and the Nursing Council of New Zealand.

Procrasta.net

Authorial London

<https://cidr-authorial-prod.stanford.edu/>

This fascinating interactive resource comes from Stanford University, and maps around 1600 London places mentioned in almost 200 works by 47 authors. You can search or browse by author, place or literary work.
