

Information Session

# — Trimble: Technology. — Opportunities. Success.

Trimble® Inc. is the global leader in positioning technologies, providing innovative solutions for customers in multiple industries worldwide. Join **Sarah Lind** (Survey Group) and **Adam Holloway** (Machine Control Group) as they share their experiences of working at Trimble and show you some of the latest technology available in the survey industry.

Trimble offers unique opportunities for survey graduates and survey students interested in summer internships. Come along to register your interest in future opportunities at Trimble, and position yourself for future success!
