

Nurse.net

NZ Health Statistics <https://www.health.govt.nz/nz-health-statistics>

This really useful website is part of the Ministry of Health, and contains health statistics on a variety of topics, including diabetes, mental health, alcohol use and obesity. There is written material and datasets, a section with links to the latest publications, and also a 'Quicklinks' area. The site is clearly laid out, and can be searched using keywords.

Procrasta.net

Victoria and Albert Museum

<https://www.vam.ac.uk/collections?type=featured>

London's Victoria and Albert Museum is one of the foremost arts and design museums in the world. A snippet of what they hold is available online; take a look at jewellery, furniture, 1960s fashion, wallpaper, and many other collections. You can also search the collections, and there are tips on how to search.
