**Dr Susan Howard** PsychD, C.Psychol, AFBPsS

Director of Training in Interpersonal Psychotherapy, University of Surrey, United Kingdom,  
Consultant Clinical Psychologist, Psychoanalytic Psychotherapist (BPC Registered).

.....

We are hosting a two day IPT Supervisors Workshop on **9th and 10th November 2017** in the Training Unit at Hillmorton Hospital. This workshop is suitable for individuals who have some experience of IPT and wish to become a supervisor

**for eligibility contact: Associate Professor Sue Luty:** [sue.luty@otago.ac.nz](mailto:sue.luty@otago.ac.nz)

**cost** \$500

- 1** For participants to become familiar with the theoretical context and underpinning of IPT supervision.
- 2** To facilitate the development of the skills required to establish and maintain a supervisory relationship.
- 3** To revisit core IPT concepts and skills from the perspective of becoming a supervisor.
- 4** To develop competence in assessing student progress through reviewing case material.
- 5** To address any concerns participants may have regarding the supervisory role.
