

The FIRST Pgx Symposium!
Friday 15th October 2004
Christchurch School of Medicine & Health Sciences

This was our first coordinated presentation of pharmacogenetics/omics material, which preceded establishment of the Carney Centre for Pharmacogenomics by one year. It comprised a visit to Christchurch and Dunedin campuses of University of Otago by the Trustees of the Jim and Mary Carney Trust:

Mary Carney
Iain Duffy
Marion Provan
Andrew Miller
Walter Yovich

The formal presentations began at 10.30am and ran until midday:

10.30 - Clive Mathewson/Martin Kennedy - Welcome & overview of activities
10.45 - Evan - overview of activities (Clin Pharm)
11.00 - Five minute presentations:
 Richard Geary - IBD pgx
 Rebecca Roberts - Psychiatric pgx
 Sharon Gardiner - CYP450 pgx
 Matt Littlejohn - Asthma pgx
11.30 - Martin/Clive - funding proposals? Discussion

Powerpoint slides of the overview presentation follow.
