S+SNZ CONFERENCE 2025
TE PAE, CHRISTCHURCH

What did we get up to in Christchurch recently?! Come along to hear the highlights of this years' S+SNZ Conference from our student attendees.

The annual conference was held at Te Pae, Ōtautahi | Christchurch with the theme "Transforming the Landscape". Several BSurv students were selected to participate - and it was great to have their energy and enthusiasm at this national event.

Thank you to S+SNZ and the School of Surveying for their support of this opportunity.
