Home Repair Programme

Habitat's Home Repair

- A world where everyone has a decent place to live
- Low to modest income homeowners receive an interest free loan over up to five years
- Critical repairs and maintenance to address issues related to weather-tightness, insulation, heating and cooling, safety and accessibility
- Ensuring whānau remain in place on their whenua

“

I can tell you that as
mum's primary caregiver,
we are thrilled she
finally has hot water.

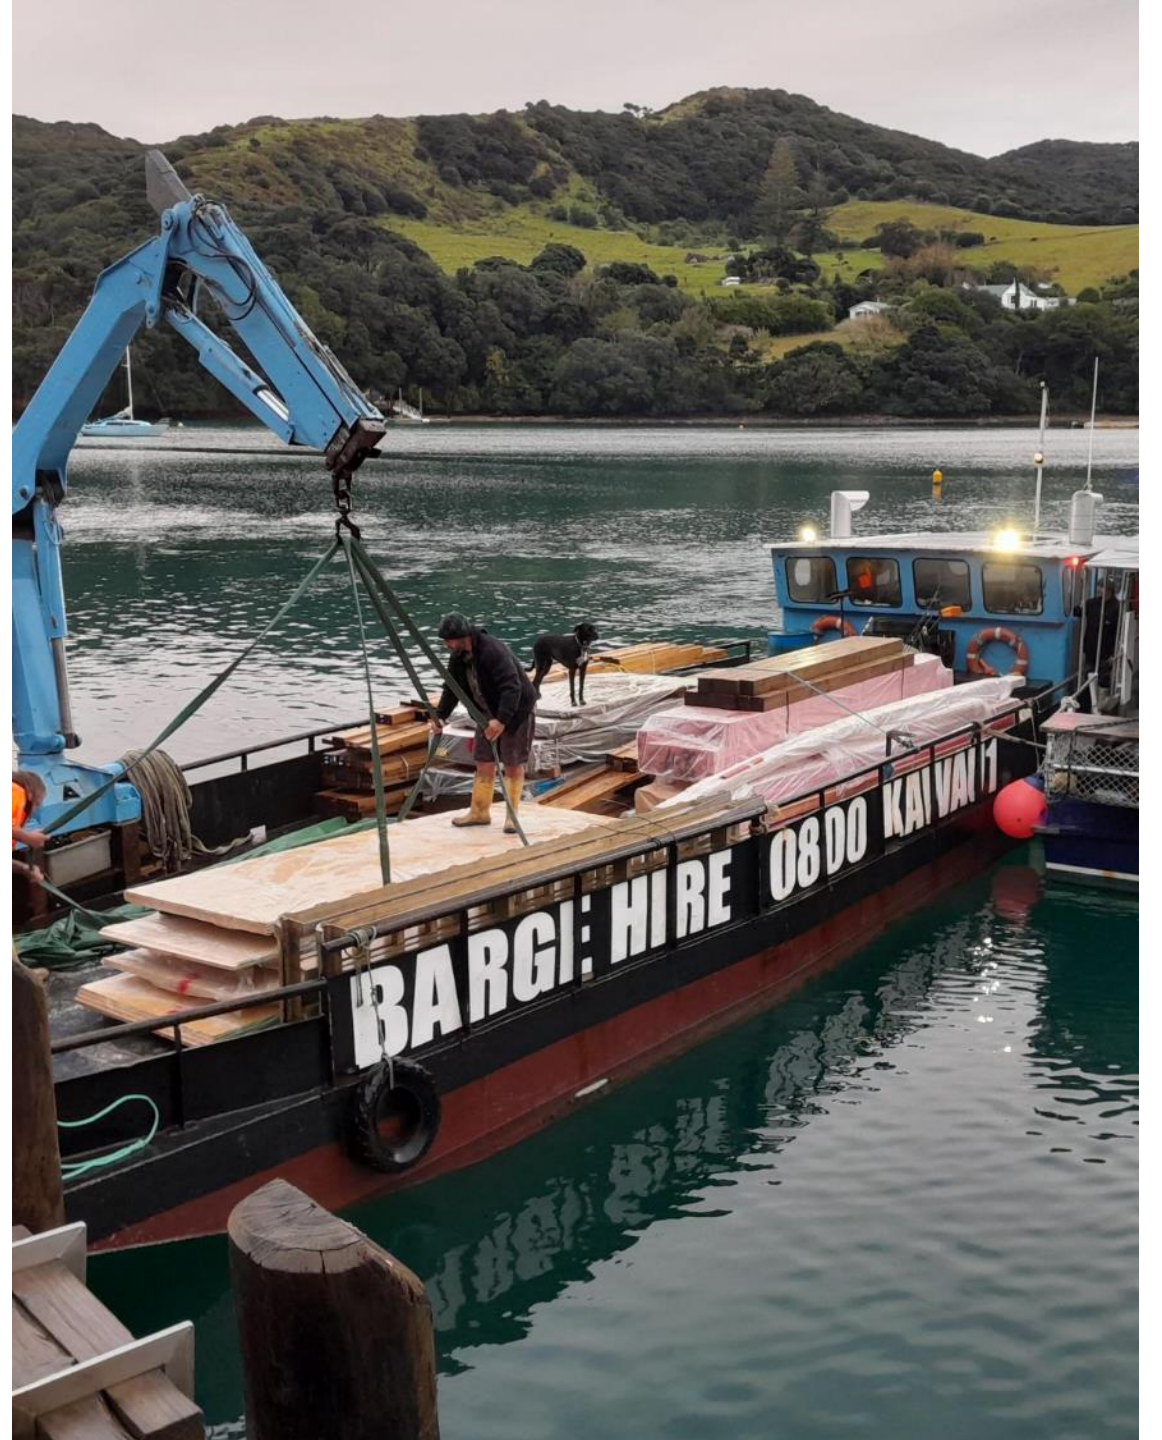

She no longer has to
boil water in jugs providing
enough water for
sponge baths only.

”

GoodMeasure Outcomes

\$1 : \$5.50

SOCIAL RETURN
ON INVESTMENT

- Improve housing
- Improve physical health
- Increase academic achievement
- Reduce asthma

Aligned to Treasury's
Living Standards Framework
this value back to society
is broken down as:

\$3.52

Health

\$1.45

Jobs and Earnings

\$0.38

Income and Consumption

\$0.06

Safety

2023 and beyond

We need to be intentional
about influencing the
systems that affect access
to housing
