

Examples of BCom programmes in Economics

Below are some examples of programme structures for a BCom Economics major – but **please note** that they are just suggestions that show how you might arrange your study. There are many ways in which you might structure your programme, and we will discuss your options with you during the course advising period at the start of the semester. (Papers shown in **bold type** are compulsory for the degree as described. All other papers have alternatives.)

If you have further questions about studying for a BCom Economics major please contact: economics@otago.ac.nz
