### Notes:

- [Indicative Proposals](#) to introduce a new qualification, major, minor, or endorsement will usually only be considered at the **August** DVCs/PVCs meeting (i.e. initial PVC endorsement and SARO engagement by July; Indicative Proposal finalised in time for August 2026 DVC/PVC consideration; if approved, full proposal due by December Divisional Board (for CUAP Round 1 2027) for **2028 implementation**). Exceptions to the August deadline require approval from the DVC (Academic).
- The aim is for all proposals requiring CUAP approval to be submitted in time for CUAP Round 1 (March), to enable inclusion in the Guide to Enrolment, and sufficient lead-in time for marketing and implementation.
- Inclusion in 2027 Guide to Enrolment – due at **March Divisional Board**
- Graduating Year Reviews (GYRs) – due at **August Divisional Board**
- Annual Programme Reports (APRs) – due at **September Divisional Board**
