Research papers	Research Project Papers					
	REHB780 (Full Year) Research Project					
	HASC780 (S1) Research Project		HASC780 (S1) Research Project		HASC780 (S1) Research Project	
	Research Methods Papers					
	AVME785 (S1) Research Methods		AVME785 (S1) Research Methods		AVME785 (S1) Research Methods	
	NURS415 (S1) Research Methods *Nurses only		NURS415 (S1) Research Methods *Nurses only		NURS415 (S1) Research Methods *Nurses only	
	PSME406 (S2) Research Methods		PSME406 (S2) Research Methods		PSME406 (S2) Research Methods	
Include one of these in your PG Dip to progress to Masters						

If you have other specific interests (e.g. cardiopulmonary rehabilitation; case management), contact us to talk about how our programme can fit your areas of work.

All papers are dependent on student numbers and maybe subject to change over time. Please contact us for current information on course options in the upcoming semester or following year.
