Lunchtime Seminar Series

CONTRIBUTING TO THE NEW ZEALAND SURVEY SYSTEM

Anselm Haanen

Surveyor General / Kairūri Matua
Land Information New Zealand / Toitū te Whenua

The 'Survey System' in New Zealand consists of many components that together serve the people of our nation. Anselm will describe these from a regulatory perspective and look at how the surveyors of the future can contribute to it.

At the seminar, Anselm will also present the
SURVEYOR GENERAL'S GEODESY PRIZE
for the best SURV399 project (Third Year Field Course)

Thursday 12th August 2021 (12pm – 1pm)
