

# Te Kura Kairūri School of Surveying Lunchtime Seminar Series

## The Licensing Journey and adding value to projects as a surveyor

Adam Musa, Survey Manager – BSurv (Hons)  
CKL

Surveyors are versatile, adaptive and valuable professionals who lend their expertise to a multitude of fields and projects. A common path that some surveyors take is working towards becoming a Licensed Cadastral Surveyor. Adam Musa is a Licensed Cadastral Surveyor at CKL and a member of the Otago University School of Surveying, class of 2017. Adam will talk about his journey to becoming a Licensed Cadastral Surveyor in November 2019, his work since that time and the value that a surveyor can provide.
