

Independent Education Plan research

We want to talk to children, young people and families

We are doing a study about the meetings that happen at school

We want to know:

- ✓ What happens
- ✓ How you are involved
- ✓ How you want to be involved

It will take about 20 minutes, you will get a certificate

Who can take part?

Families with disabled children

Children or young people who have school meetings

Teacher and therapists who go to the meetings

Why?

So schools know what works the best to support families, children and young people to make decisions

What will happen?

You can talk with us in a way that works for you.

It could be:

- A chat
- Drawing
- Playing
- Telling a story
- Using a device or gestures
