

SHARK SPY

Have you seen a shark?

YOU can help the NZ Marine Studies Centre discover more about our local shark populations – how many sharks are there, what species and where?

If you have encountered a shark and taken a photo you can...

1 Go to www.inaturalist.org search for Shark Spy. Then simply upload your encounter to our database

OR

2 Upload your encounter to our Facebook page, simply search for Shark Spy Otago

OR

3 Email your encounter to: shark.spy.otago@gmail.com

Want to learn more?

Rob Lewis MSc(Otago) is available to talk to clubs or groups about Otago Sharks and this research project.

If you have any questions or concerns, contact us via either Facebook or our email.
