Request for a new or amended

Limitation of enrolment for a PROGRAMME

UNIVERSITY OTAGO Tr Marr Minenge o Origo NEW ZEALAND

This form is for requests to limit enrolment in a programme for resource-related reasons, as per clause 10 of the Admission to University Statute 2011. See the related Limitation of Enrolment in a Paper or Programme Procedure.

Name of programme	Proposed enrolment limit	
e.g. MB ChB	Number of available places, e.g. 200	

Resource-related reason for requiring a limitation on enrolment (please provide a brief justification)

Method for selecting students for limited places (tick one only)

As per the Admission to University Statute 2011 (clause 10), students must be selected for limited places based on academic merit and suitability for the paper.* However, additional criteria may also be approved by Senate on the recommendation of the DVC (A & I)

Academic merit and suitability for the paper

Academic merit and suitability plus additional criteria as specified in the programme regulations

Academic merit and suitability for the paper plus additional criteria as detailed in the box below

For additional criteria please provide criteria and justification (if necessary, attach a separate sheet to this form)

Confirmation of consistency with current approved Programme Regulations (required)

The selection criteria used are consistent with the approved Programme Regulations

Optional web-link for information on enrolment limits and student selection for this programme

May be displayed in eVision when applicants seek information on this programme; may link to programme regulations

Departmental Contact for administrative queries relating to this request (if not Head of Department)
