

SJWRI Research Day 2022

Highlighting the best dental and oral health research from the Sir John Walsh Research Institute, the research arm of the Faculty of Dentistry.

Featuring presentations from invited keynote speakers, academic and research staff, and final-year postgraduate students.

Registration is now open. Registration is free, and is required for attendance.

All sessions will be live-streamed, and CPD points are available for each session.

Thursday 8 September, 9am–5.30pm

Walsh seminar rooms G.03/G.04 and online via live-stream

Please register to attend, either in-person or online

Further information and registration available via
