

TACKLING ENERGY HARDSHIP: Donation Networks

Several NZ electricity retailers have established their own, **in-house peer-to-peer donation networks**.
These networks are a fantastic first step towards allowing Kiwi households and businesses to donate to those experiencing energy hardship.

Empower Energy have developed a **larger, more impactful, universal platform** that will scale peer-to-peer donations and deliver **better experiences & outcomes for all stakeholders**.

ONE BIGGER, BETTER & MORE EFFICIENT PLATFORM: Power of Partnerships

The Empower Model

Every electricity retailer can join EE

National, regional, and local care agencies
