

2017 D4 Summer Studentship

The D4 network is offering funding for one summer research studentship relating to aspects of either Diagnostics, Drug discovery, Devices or Drug Delivery in the field of human or animal health.

The proposed research needs to be multidisciplinary in its approach and ideally have supervisors from more than one department, with at least one associate investigator from the D4 network (See [website](#)). The applicant must be enrolled at the University of Otago degree and be intending to enrol at the University of Otago in 2018.

The D4 summer research studentship is \$4000 and will be paid in two instalments. The duration is for a total of 10 weeks over the summer period and dates are to be agreed upon with the supervisor. The student will be required to complete a short report (8 pages).

Applications should include:

- Name and contact details
- a one page summary of the proposed research (not including references)
- a copy of your academic record
- a letter or email of support from your proposed primary supervisor
- a statement of any other student ship applications (with announcement dates)

Please submit your application to joel.tyndall@otago.ac.nz or to the School of Pharmacy reception by 5 pm Wednesday 20 September 2017.

For more information please see our website: <http://www.otago.ac.nz/d4/index.html>
