Healthfinder

<https://healthfinder.gov/>

The Healthfinder website is aimed at patients and their families, and is produced by the U. S. Department of Health and Human Services. There's a comprehensive A-Z listing of health topics, including areas such as mammograms, infant health and fall prevention. The site is also searchable.

Procrasta.net

Harry Potter's World: Renaissance, Science, Magic, and Medicine

<https://www.nlm.nih.gov/exhibition/harrypotterworld/>

Whether or not you're a Harry Potter fan, there'll be something of interest in this fascinating website produced by the National Library of Medicine in America. It looks at how traditions from Renaissance times are depicted in Harry Potter's world: potions, monsters, plants immortality, magical creatures are matched to examples in the books.
