

## DOCTORAL CONVENERS OF EXAMINERS

Applications to have new conveners added to this list are most welcome, and may be sent to Professor David Baxter, Graduate Research School, via an email ([dean.grs@otago.ac.nz](mailto:dean.grs@otago.ac.nz)). Applications must be endorsed by the Head of the Department/School, Dean (where applicable) and Pro-Vice-Chancellor (where applicable). Conveners should be senior academics (i.e. Associate Professors, Professors and Heads of Department), with extensive experience in supervising and examining doctorates, and a commitment to correct process and the care of students. A statement outlining how these criteria are met should be included with any application. Conveners may not be appointed until their inclusion on this list has been approved by the Graduate Research Committee.

\* Denotes a convector who is able to convene the examination of a thesis written in te reo Māori.
