

University of Otago, Christchurch (UOC)

Canterbury Medical Library

Security access to the library over the evening and weekend hours of opening:

A current library membership, security ID card and code are all required to access the library between:

- 5.00pm to closing, Monday to Thursday (or Friday when closing at 6.00pm) and
- 2.00pm – 6.00pm or when scheduled to open on a Saturday, Sunday or Public holiday.

University of Otago, Christchurch Medical Students: Library access is automatically set-up on the UOC Security system

Post-graduate Students with the University of Otago, Christchurch are not automatically set-up on the UOC Security system to access the Library during the evening or weekend hours of opening. To arrange access and to activate your security ID card, please go directly to Reception on the ground floor, during office hours.

CDHB staff, other University of Otago Students and Staff do not have automatic access to the Library when the Library is opened evenings or weekends. **If required, please arrange this access prior to any evening or weekend visit to the Library by calling at the Library's Lending Desk or ringing 364 0500.**

- CDHB staff, we require your Security ID Card number when arranging your access on the UOC security system.
