**Zoom Webinar**  
**Wed 06 May 2020**

**University of Otago**  
**12:30-13:30pm**

- We can all be IPE educators: teachers who negotiate and guide dynamic boundaries and flexibilities that come with interprofessional collaboration; teachers who exercise skills of small group facilitation.
- How can we do this effectively online, without compromising the interprofessional experience for students?
- Join us for an online simulation, and a reflective discussion with our panel afterwards, to develop your IPE facilitation skills for both online and offline teaching environments.
- This webinar is open to all, and will be relevant for both classroom and clinical teachers.
