# The 'cost' of sugar

a public forum about the wide-ranging impacts of sugar in our society

---

Renowned broadcaster, Kim Hill, will chair an expert panel and take questions from the audience to tease out what we really know about this complex and controversial topic.

Panel members:

**Professor Jim Mann**

University of Otago, Dunedin

**Professor Jacqueline Rowarth**

Environmental Protection Authority

**Professor Tony Blakely**

University of Otago, Wellington

---

Thursday, **16 March** 2017  
**7pm-9pm**

Clinical Education Centre  
Auckland City Hospital
