### Studying for a Bachelor of Commerce in Accounting

"I chose Otago because of the level of education, resources and accommodation, and because it's a safe place to study. I want to be an accountant someday and find it an interesting and enjoyable subject to study."

"Working out an accounting task keeps me focused. Getting a successful result – e.g. balancing a statement – makes me want to try harder."

### Studying for a Bachelor of Commerce in Accounting

"I chose to study accounting because I hope to gain a set of skills and knowledge that can help me provide for my country. I believe that my Otago qualification will lead to new opportunities once I return home and enable me to contribute to the development of my country through finance and marketing."
