Comments

~~Doctor~~ ~~reassured~~ ^{reassured} that it's a common infection, & ~~tried to~~ ^{tried to} minimize the guilt & embarrassment I was going through.

Will you use condoms for any extra-marital sexual contacts you may have? YES / NO

Comments

I won't have any!

Do you think the doctor talked to you in a clear and understandable manner? YES / NO

Comments

There were times when I wasn't too sure what he meant, was referring to.

Would you be happy to come back and see this doctor again? YES / NO

Comments

General Comments

Doctor was gentle in handling the situation, but perhaps give options before assuming the fault was on me would make it much easier.
