

Articles of Interest : Nursing

No. 213-214, July-August 2017

Nurse.net

Office of the Health and Disability Commissioner www.hdc.org.nz

As well as information about recent cases and decisions from the Commission, this useful and informative site has a collection of articles written by the Health and Disability Commissioner on healthcare-related topics of concern to the Commission. The site also contains the full Code of Rights as well as summaries in a number of languages, along with copies of the Health and Disabilities Commissioner Act and its amendments.

Flickr Commons

<https://www.flickr.com/commons>

The Commons is a project aiming to catalogue public photography collections from around the world. There are currently over 100 participating museums, libraries, and other institutions, including the British Library, Vancouver Public Library, and our own National Library of New Zealand. The collection can be browsed or searched, and includes both historical and modern photographs.
