

BIG FOOD

Food Policy, Politics and Population Health

How does the food industry influence our food supply and our health?
Can it really be part of the solution?

Register now for this Public Health Summer School symposium. One day, so many high-calibre experts, from:
the United Kingdom

Dr Tim Lobstein *Director of Policy, International Association for the Study of Obesity and International Obesity TaskForce*

Dr Mike Rayner *Director, British Heart Foundation Health Promotion Research Group, University of Oxford*
