

WELLINGTON

**FREE PUBLIC TALK**

# Responding to the dual crises threatening health in the Pacific Islands

## 2019 McAuley Oration

**DR COLIN TUKUITONGA**

Director-General, Secretariat of the Pacific Community, New Caledonia.

### Dr Colin Tukuitonga

Join us to hear Dr Tukuitonga discuss the two greatest threats to good health in the Pacific region:

- the huge burden of noncommunicable diseases (NCDs) and their risk factors
- the negative health impacts of the climate crisis.

More information available at:
