This is a new Articles of Interest series from Canterbury Medical Library. The series will be issued four times a year provided there are sufficient articles to warrant publication.

**Quality•Net**

**Australian Resource Centre for Healthcare Innovation (ARCHI)**
http://www.archi.net.au/home

The Australian Resource Centre for Healthcare Innovation (ARCHI) is the knowledge sharing hub for Australian health professionals and health service managers who are working to deliver better patient journeys.

More than just a source of information, ARCHI is a dynamic hub that actively supports the learning process for health professionals involved in clinical service redesign initiatives around Australia.

**Institute for Healthcare.**
http://www.ihi.org/IHI/

*Topics* include improvement suggestions on patient flow and patient safety. *Programs* include ‘Transforming care at the bedside’.

**MedQIC: Medicare quality improvement community**  http://www.medqic.org/
‘Browse by topic’ for basic information sheets on topics such as pain evaluation and urinary catheters

**New Zealand Guidelines Group**
http://www.nzgg.org.nz/

**Saferhealthcare**
http://www.saferhealthcare.org.uk/IHI/
Read Alan Forster’s editorial on the underlying causes and consequences of poor handover.

**Articles of Interest**

Recent journal articles available in the library or online via the Canterbury District Health Board Intranet or the Christchurch School of Medicine & Health Sciences network. These articles are available from journals held in the library unless marked with an **O** (only available online) or an **L** (only available on request from the library).

The library cannot provide copies of the following article from the journal Health Matrix as it is a 54 page report.

However the report is available free of charge through the ejournal portal on the library site: www.chmeds.ac.nz/departments/library/

Click on ‘Electronic journals’ on the panel on the left hand side then search for Health Matrix then click on the MasterFILE Premier option.

ARTICLES OF INTEREST – QUALITY

March 2006

Indicate article numbers as required and return to:
Canterbury Medical Library
Christchurch Hospital
Private Bag 4710
CHRISTCHURCH

In the space below, indicate article numbers which you require from the March 2006 Articles of Interest - Quality:

____________________________________________________________________________________
____________________________________________________________________________________

Copies of these articles are all available on request, at a cost of

$3.50 + GST (i.e. $3.95) per article for current library members
$4.20 + GST (i.e. $4.75) per article for non library members

If you wish to clarify which charge will apply, please contact the library to check whether or not you are enrolled as a current library member. We will, otherwise, simply charge as noted above.

Please tick the appropriate box to indicate how you will pay*:

☐ Account Code to Charge: ___________________________ (please specify)
Photocopied articles, charged to a cost code, will be sent to you in your dept via the internal mail.

☐ Personal payment – This option requires payment in cash. You will be contacted when the material is available for collection, & payment, from the Loans Desk of the library.

CSM & HS Department ................................................................. (please specify)

CDHB Hospital & Department .......................................................... (please specify)

Signature:______________________________________________

* This request will not be processed if [has not been processed because] you have failed to supply the information required.

Requester's name: _______________________________________________________
Address: ________________________________________________________________

If you have any suggestions regarding topics you would like to see in future Articles of Interest - Quality please list them.
