

VIDARIS NEWSLETTER

2011

Most of you will be back from your holidays by now. We hope you feel nice and relaxed for the year

CHANGE OF ADDRESS

This is another reminder to let us know if you have changed or are about to change your address. Some people have been displaced by the earthquake. Even if your new address is temporary please let us know.

swab.

URIS

People are still getting colds or flu like symptoms and are letting us know. Thank you. We appreciate your continued support for the study. It is important that we collect the information on any upper respiratory illnesses.

MONTHLY APPOINTMENTS

We have all but finished the eight month appointments. If you are at the nine month stage you are half way through the study.
