Purpose

The Library aims to provide an environment that is attractive, comfortable and inviting to patrons, while providing a safe and study-friendly atmosphere. Limited consumption of food and drink is allowed providing it does not detract from a reasonably clean and pleasant working space.

Guidelines

1. Cold, non-alcoholic drinks in capped bottles and hot drinks in cups with lids, are allowed in the Library
2. Snack foods, such as wrapped bars and biscuits are allowed. Food that smells, is 'noisy' or is likely to be messy is not allowed.
3. All rubbish should be placed in the bins provided.
4. Food or drink is not permitted when using University equipment.

Staff will use their discretion in determining whether food and drink are suitable to be consumed in the Library. Patrons will be asked to leave with any items that are considered to be a problem.
