Ophthalmic Pathology Course
August 2023

Delivered online from the University of Otago, Wellington

Join pathologists Associate Professor Diane Kenwright and Dr Amanda Charlton over three weekends for this Ophthalmic Pathology course.

The course is designed for registrars sitting the RANZCO ophthalmic pathology exam on 12 September 2023

Dates/Times (NZST):
Prework released Friday 14th July.

Day 1 Saturday 5 August 1 pm to 5 pm
Day 2 Saturday 19 August 1 pm to 5 pm
Day 3 Saturday 26 August 1 pm to 5 pm

Venue: By Zoom and on Google classroom. All sessions will be recorded on Zoom for later playback.

Cost: NZ$500 (including GST)

Enrolments close Friday, 4 August, but to learn the most, enrol by 14 July to have time to complete the prework.

Meet the tutors, understand the purpose of the course. Discover how this course is structured using evidence-based principles of effective adult learning, We explain what you are expected to know before Day 1. To help you, we have designed prework to bring you up to speed before the
first face to face session on Day 1. Hear what previous trainees thought of the course and what they recommend for you to get the most out of the course.

Course programme

Friday 14 July Matariki

Prework released online. Complete prework before Saturday, 5 August.

Saturday 5 August

1:00pm–5:00pm (New Zealand Standard Time)

Day 1. Meet the tutors and your peers. Do a technical check. Tour of course content on Google classroom. Practice digital slide navigation and learn how to apply key observations to answering slide questions. Content covered is uveal melanoma and retinoblastoma. Tour of Kuracloud online active learning modules. Homework issued to be completed before day 2.

Saturday 19 August

1:00pm–5:00 pm (New Zealand Standard Time)

Day 2. We will cover common neoplastic conditions of the lacrimal gland and orbit and non-neoplastic globe. For each of these major topics we will work collaboratively to look at how to best answer written and slide questions. Homework issued to be completed before day 3.

Saturday 26 August

1:00m–5:00pm (New Zealand Standard Time)

Day 3. We will cover skin, cornea and conjunctival conditions. Exit survey and feedback.

***************************

The next course will be in July/Aug 2024. Trainees are welcome to do the course twice. Returners can participate the second time for no charge. However, the course is capped at 25 participants, and first time registrants will have priority.
