

EDGAR DIABETES &  
OBESITY RESEARCH  
A UNIVERSITY OF OTAGO RESEARCH CENTRE

# FROM EVIDENCE TO EVERYDAY:

Translating nutrition research for a healthy Aotearoa

Join us for a fascinating line-up of topics exploring how nutrition research is interpreted by health professionals, the media, policymakers, the community, and ultimately makes its way into our everyday food choices.

Friday 20 September | 9am–5pm

Nordmeyer Lecture Theatre, 23A Mein Street | University of Otago, Wellington

\$50 | Students can register for free | Register now: [otago.ac.nz/diabetes](https://otago.ac.nz/diabetes)

**150** YEARS  
1869-2019
