

Overseas Trained Teachers with Provisional Certification - OTT Workshops, 2020

For all OTTs working towards gaining full certification, teaching in schools (teaching years 1-13) and to assist OTTs (and their mentors) in tailoring their I & M programme to focus on **teaching in the Aotearoa/New Zealand context**, we are offering:

OTT Workshop 1 (term 1) **Te Reo, Tikanga Māori and Culturally Responsive Teaching**
Completed.

OTT (Zoom 9.00am -12.30pm) Workshop 2 (term 2) **Developing Understanding of the NZC**

This workshop recognises the skills the OTTs bring to the NZ Education System. It aims to develop their understanding of the nature of education in Aotearoa/New Zealand and the New Zealand Curriculum.

OTT Workshop 3 (term 3) **Delving Deeper: Design for Learning and the NZC**

This workshop aims to develop OTTs understanding of the NZC and supporting documents; Tātaiko, Tapasā and the Local Curriculum Guides. It delves into the 'back half' of the document and provides support for teachers to develop teaching and learning programmes by examining the relationship between the concepts in the front and the objectives at the back. This approach develops a curriculum that is localised and puts the student at the centre.

OTTs are also eligible to attend PCT Introductory Workshop and Primary & Secondary Workshop 1 & 2.
