

OTAGO GLOBAL HEALTH INSTITUTE  
9TH ANNUAL CONFERENCE  
2-3 NOVEMBER 2016  
DUNEDIN

The Centre for International Health is hosting the **Otago Global Health Institute (OGHI) 9<sup>th</sup> Annual Conference** on 2-3 November at the Dunedin Public Art Gallery, Dunedin.

OGHI aims to provide opportunities for members and researchers to meet, present, discuss projects, and to foster new collaborative efforts in global health.

- The keynote speaker and 2016 Williams Evans Visiting fellow is Professor Sarah Cleaveland OBE FRS FRSE from the University of Glasgow. Prof Cleaveland is a global expert in zoonotic diseases.

- Online registrations are now open on the conference website below.

- We invite submissions from interested parties on any subject related to global health in low-resource areas. Student submissions are welcome. More details regarding abstract criteria are available on the conference website

- An optional conference dinner will be held on Wednesday 2 November at Gaslight Restaurant, please book for the dinner when registering for the OGHI conference.

- Immediately following our conference, NZASID are holding their 40th annual meeting in Dunedin. OGHI members are invited to attend the NZASID meeting at their members' rate.

- Accommodation in Dunedin over the time of both conferences is limited. However we do have rooms on hold within easy walking distance of the conference venue. Please access through the conference website.

- For further information about the conference, please visit [www.otago.ac.nz/oghiconference](http://www.otago.ac.nz/oghiconference).

To help us improve the content of our newsletter, and the OGHI please email any suggestions, feedback and comments to Fiona at [cih@otago.ac.nz](mailto:cih@otago.ac.nz)

## Otago Global Health Institute (OGHI) 9th Annual Conference

And

## Australasian Society for Infectious Diseases NZ (NZASID) Annual Meeting

Australasian Society for Infectious Diseases  
New Zealand Annual Meeting  
3-5 November  
Dunedin

This year, the OGHI annual conference will dove-tail with the Australasian Society of Infectious Diseases New Zealand (NZASID) annual meeting in November, with the McKinlay Oration bridging the two meetings.

### The McKinlay Oration

*Towards the global elimination of rabies: evidence, interventions and impact*

**Professor Sarah Cleaveland OBE FRS FRSE**

**Date:** Thursday 3 November 2016

**Time:** 7:00pm – 8:00pm

**Venue:** Dunedin Public Art Gallery, The Octagon, Dunedin

**All Welcome**

### Australasian Society for Infectious Diseases NZ (NZASID) Annual Meeting

The NZASID annual meeting features presentations in infectious diseases, infection control, antimicrobial stewardship, microbiology, travel medicine, and public health. The keynote speaker for 2016 is **Professor Paul Newton**

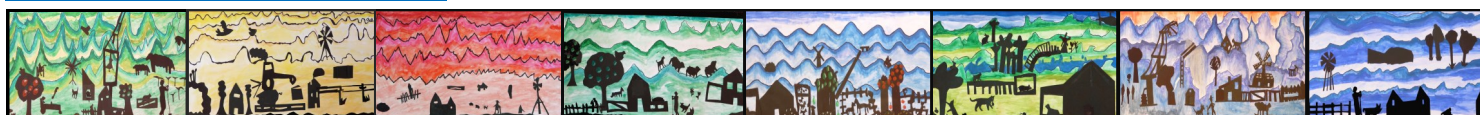

**Professor Paul Newton**

*Director, Lao - Oxford-Mahosot Hospital-Wellcome Trust Research Unit, Laos*

*Research Area: Clinical Epidemiology; Scientific Themes: Tropical Medicine & Global Health*

After junior doctor training in infectious disease and internal medicine in the UK, Professor Newton worked in the Mahidol Oxford Research Unit in Bangkok on malaria and melioidosis for four years before moving to Laos. In Laos his clinical tropical medicine research group conduct clinical research to help improve global, regional, and Lao public health, and to build capacity for this in Laos.

Paul has more than 200 publications on infectious diseases in low-resource settings.
