

The Otago International Health Research Network (OIHRN) is hosting the **OIHRN 6th Annual Conference** on 7 - 8 November at the Otago Museum.

- The goal of the OIHRN conference is to give Network members and interested members of the public an opportunity to meet and discuss projects they have been working on and other collaborative possibilities.
- Online registrations are now open.
- We invite submissions from interested parties on any international health-related subject. Submissions from students are very welcome.
- For further information about the conference please visit www.otago.ac.nz/oihrnconference.
