

OTAGO GLOBAL HEALTH INSTITUTE - A NETWORK OF GLOBAL HEALTH RESEARCHERS

VISION	A world where health problems are solved by those who are most affected by them			
MISSION	The Otago Global Health Institute (OGHI) will work in collaboration with researchers in under-resourced populations to conduct research that addresses their most pressing health problems			
VALUES	Partnership•excellence•sustainability•equity•integrity•rewarding success•learning from failure•collegiality•enjoyment			
STRATEGIC GOALS	Maximise Otago University's Global Health participation	Establish Global Health collaborations	Build research capacity with collaborators	Together, propose, conduct and publish research projects
SPECIFIC ACTIVITIES	<p>Build OGHI membership through:</p> <ul style="list-style-type: none"> ➤ Personal contact ➤ A monthly newsletter ➤ Annual conference for members & collaborators ➤ 'Global Health Bytes' seminars ➤ Symposiums on Global Health research funders ➤ Standard & social media <p>Empower OGHI membership:</p> <ul style="list-style-type: none"> ➤ Represent all four divisions on the Leadership Group ➤ Provide seed money to engage collaborators ➤ Support emerging researchers & students ➤ Facilitate strategic partnerships in the University 	<p>Build on established successful international collaborations</p> <p>Develop new international collaborations with:</p> <ul style="list-style-type: none"> ➤ Fiji National University ➤ National University of Timor-Leste ➤ Other institutions as opportunities arise ➤ Alumni globally <p>Enable collaborations:</p> <ul style="list-style-type: none"> ➤ Develop tools for engagement ➤ Engage NZ-based funders of scholarships & projects ➤ Build strategic partnerships with other organisations with Global Health activities ➤ Participate on Global Health research consortia 	<p>At Otago University:</p> <ul style="list-style-type: none"> ➤ Host post-graduate students on Scholarships ➤ Host collaborators at the annual OGHI conference <p>Outside Otago University:</p> <ul style="list-style-type: none"> ➤ Conduct workshops on research practice ➤ Support faculty exchanges ➤ Co-supervise post-graduate students ➤ Identify funding for post-doctoral fellowships ➤ Help alumni build their collaborative networks <p>Ensure collaborations:</p> <ul style="list-style-type: none"> ➤ Share benefits of research ➤ Prioritise capacity building ➤ Target sustainability 	<p>Enhance University research office support of proposals to Global Health funders</p> <p>Identify & engage funders:</p> <ul style="list-style-type: none"> ➤ Local & international Global Health research funders ➤ Philanthropic donors <p>Facilitate research activity:</p> <ul style="list-style-type: none"> ➤ Design of multi-disciplinary & mixed methods research ➤ Research proposals ➤ Research projects ➤ Dissemination of findings <p>Participate on Global Health implementation committees</p> <p>Ensure research initiatives:</p> <ul style="list-style-type: none"> ➤ Align with OGHI values ➤ Target sustainability
