Milford Community Charitable Trust

The Trustees invite applications from people within the Milford area seeking study grants to enable them to undertake a tertiary or vocational education programme or a life skills course. Please note that before funds are released to a successful applicant evidence of enrolment in the course must be provided.

The trust was formed in 2007 to administer funds received from the sale of the Milford School property which was closed due to amalgamation. This was tragic because the school property was originally donated to the district by the late Mr J.T.M Hayhurst on the 6th of March 1871 whereby he set apart land in trust for the use of children attending the Milford Public School and for the promotion of education of the said children.

ELIGIBILITY Applicants must either:

- a) Be former pupils of the Milford School
- b) or your parents or grandparents must be former pupils of the Milford School
- c) residents of the Milford district as defined by the district boundaries decided by the trustees.

Grants will be made available for educational, vocational training or personal development with preference being given to education.
