

University of Otago General Staff Association Award

Established in 2004 by donation from funds held by the General Staff Association at the time the Association was wound up.

The Award shall be given to the son or daughter of a member of General Staff at the University of Otago, who has been enrolled at a secondary school in New Zealand in the preceding year, and who has enrolled for a full-time course of study at the University of Otago.

The Award shall be awarded by the University Council to an eligible student who has the best external examination results in the student's final year at secondary school.

The value of the Award shall be \$500.
